2010 was a busy year for us! Take a look at what was happening:

- ★ To celebrate our 25th Anniversary we held a birthday party, summer street fair and our Grand Gala!
- ★ Our house housed 686 families, 12,819 people, and 9 transplant patients!
- ★ 45 of our families stayed for over 1 month and 70 for 15 to 30 days!
- ★ Our longest stay was 126 days!
- ★ Through operating funds and donations, we helped cover 78% of the \$10 nightly donation. We were able to continue our mission even though we received only \$20,217 of the \$63,310 rent charged.
- ★ We had 802 families on the wait list and 343 days of a wait list!
- ★ The top four departments we served were NICU, General Medicine, Surgery and Orthopedics.
- ★ We had 125 volunteers, who logged 11,500 hours for a total of 303,392 hours since we opened!
- ★ Our pop tab program took off with 7,168,000 tabs collected! With this money we bought a computer and Bose Wave radio for our residents to use and enjoy.
